

THE LOS ANGELES CHAPTER IN COLLABORATION WITH DISTRICT III PRESENTS TEACHING TECH WITH TYRONE

TEAMS

Microsoft Teams is an amazing tool that works to assist the average business professional. This is a basic, but engaging familiarization activity that will introduce for some, and expand for others, the most commonly used applications and features of Microsoft Teams.

TIMELINE

- Saturday, May 20, 2023
- 11:00 am- 1:00 pm
