October 01, 2023 Volume 1 Issue 10

Good Morning America
By: James Thomas

We can now celebrate that cup of Java officially on October 1st. Coffee Lovers can rejoice and celebrate this International Coffee Day. We do not have to feel guilty for enjoying your favorite coffee beverage. What could be better than celebrating, and appreciating your love for coffee from across the globe? Enjoy a cup of coffee with friends at your local cafe, or simply take the time to relax and enjoy your coffee ritual at home.
