

I hope you are doing well and welcoming the break in the rain. I have some exciting news to share with you about the upcoming events that you might be interested in.

On March 16th at 8:30 a.m., we have an opportunity to volunteer with the San Bernardino City Mission and help them distribute food boxes and other tasks. This is a great way to give back to our community and make a difference. If you want to join us, please contact Nicole Palomino at 909-856-9702 for more details.

Come out on April 14, and Hunter Park in Riverside for our Spring Membership Appreciation Day at Hunter Park in Riverside. This will be a fun-filled day with activities, games, and prizes for the kids. Everyone is invited to come and enjoy, and we will provide food for everyone. Please email me, John Szeibert, by April 5th if you plan to attend or if you have any questions. We will send you more information soon.

April 27th, we will participate in the American Heart Association's Inland Empire Heart and Stroke Walk at 9:00. This is a wonderful event to support a good cause and raise awareness about heart health. We will send you more information on how to join the CWC team for this event.

Join us on April 28th for the Walk for Kids, a charity event organized by Ronald McDonald House Charities at Fontana Park. The CWC members will be there to help out and cheer on the walkers. This is a great opportunity to support a good cause and have fun with your friends. If you are interested in volunteering, please check the attached file for more details. You can also contact Nicole Palomino if you have any questions.

These events are coming soon, and I hope you can join us and support your fellow members. Please let me know if you have any questions or concerns.

Sincerely,
John Szeibert, IE CWC President
