Brotherly Love
By: James Thomas

We can now nationally celebrate the love for our brothers on May 24th. Our brother sometimes drives us crazy, overprotective, but are always there with love. We can also celebrate our brother-in-law, or a best friend who we share that brotherly special bond. We can share funny memories, take a walk, play games, or have a picnic. The day should be to remember everything our brother do for us with love.
